

Road Signs Recognition Quiz

**Place your answer for
each of the
signs/pavement
markings on the answer
sheet.**

Ready to Roll?

Here Comes

Sign # 1. . .

#1

- A – No right turn
- B – Right turn only
- C – Warning, no turn on red

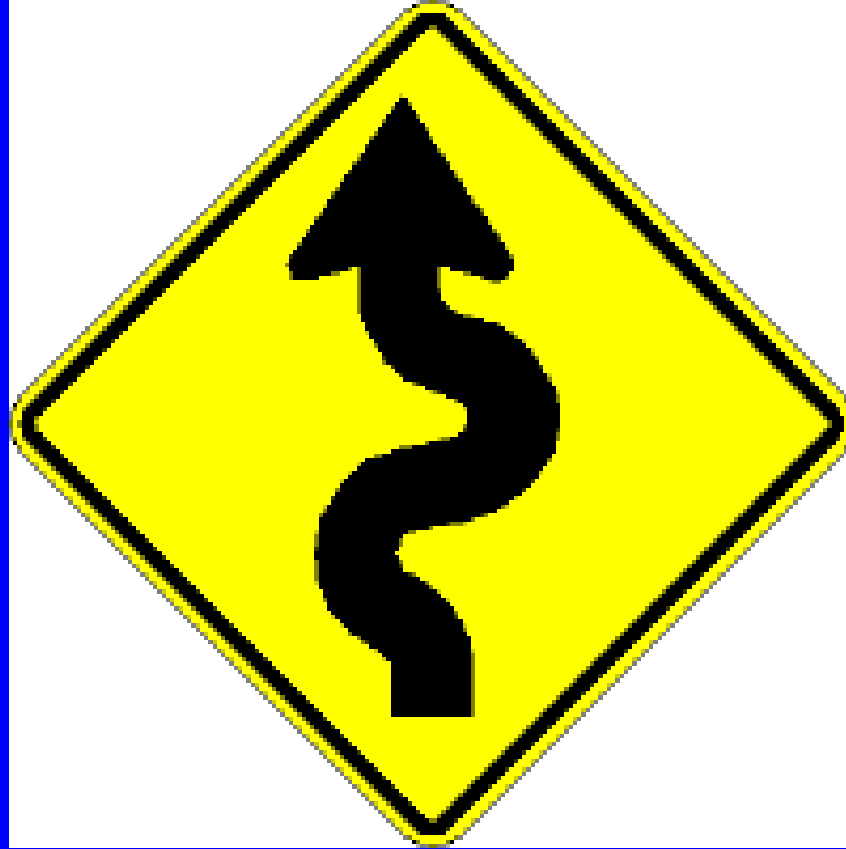

- A – No right turn
- B – Right turn only
- C – Warning, no turn on red

Here Comes

Sign # 2. . .

2

A – Slippery when wet

B – Warning, winding roadway

C – Warning, pass with caution

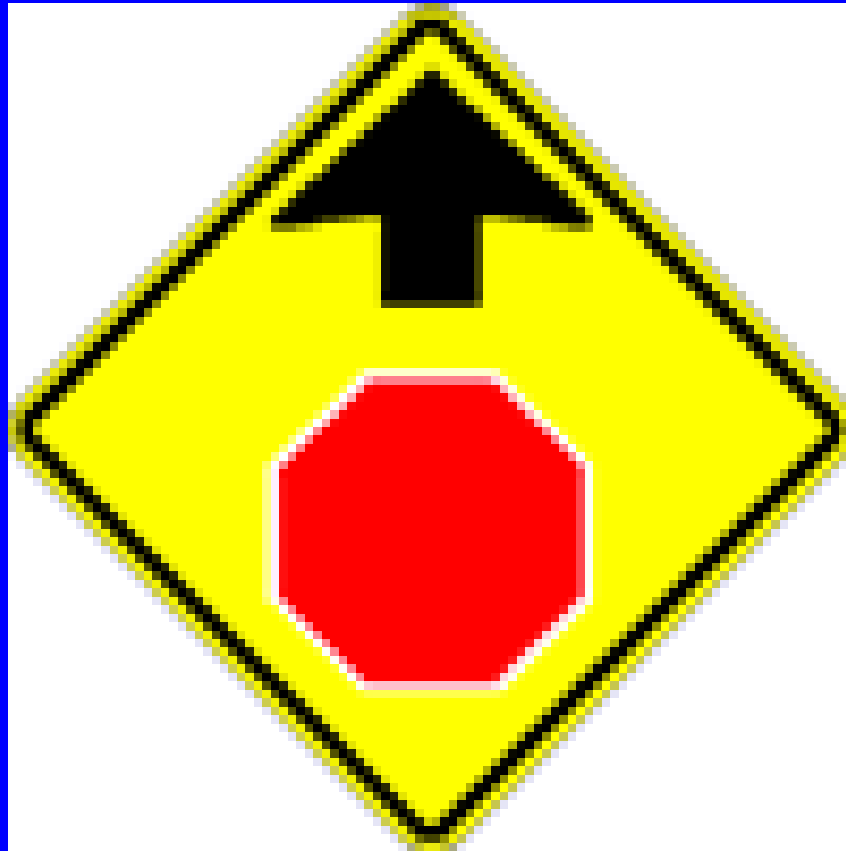

- A – Slippery when wet
- B – Warning , winding roadway
- C – Warning, pass with caution

Here Comes

Sign # 3. . .

#3

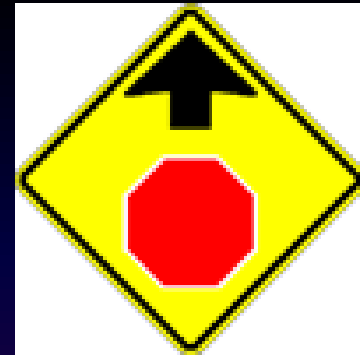

A – Yield

B – Stop

C – Warning, stop ahead

- A – Yield
- B – Stop
- C – Warning, stop ahead

Here Comes

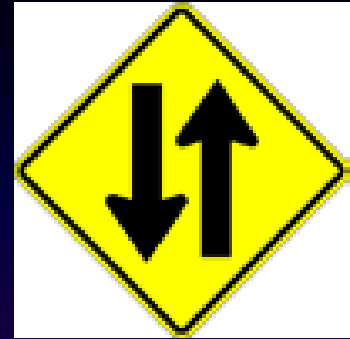

Sign # 4. . .

4

- A— Warning, divided highway
- B — Warning, two-way traffic
- C — Warning, keep right

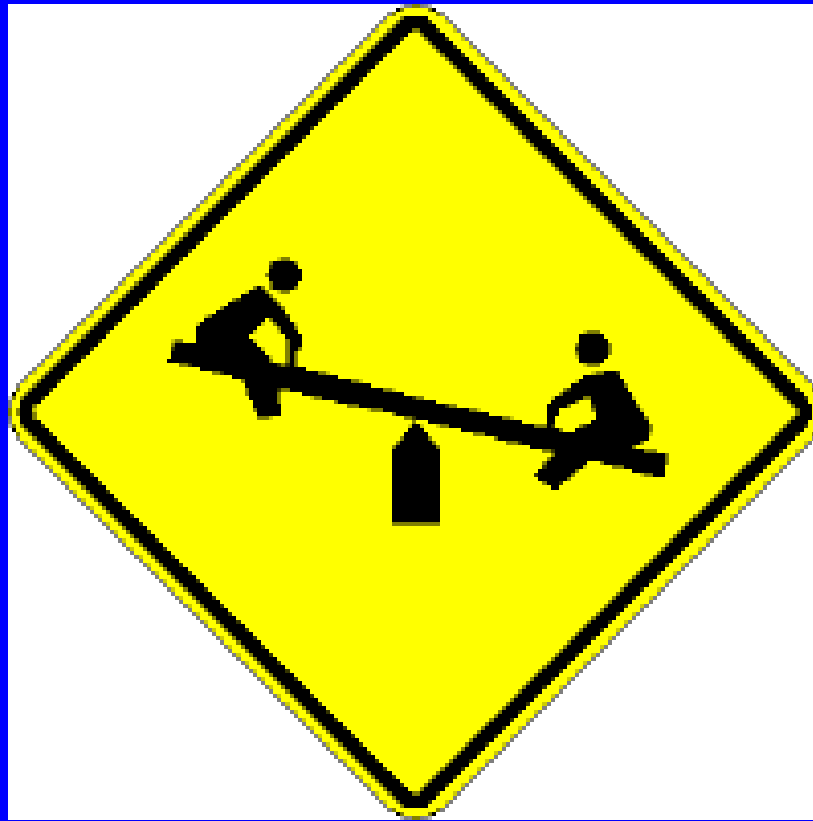

A– Warning , divided highway
B – Warning , two-way traffic
C – Keep Right

Here Comes

Sign # 5. . .

5

- A – Warning, recreation area
- B – Watch for children
- C – Warning, playground

- A – Warning, recreation area
- B – Watch for children
- C – Warning , playground

Here Comes

Sign # 6. . .

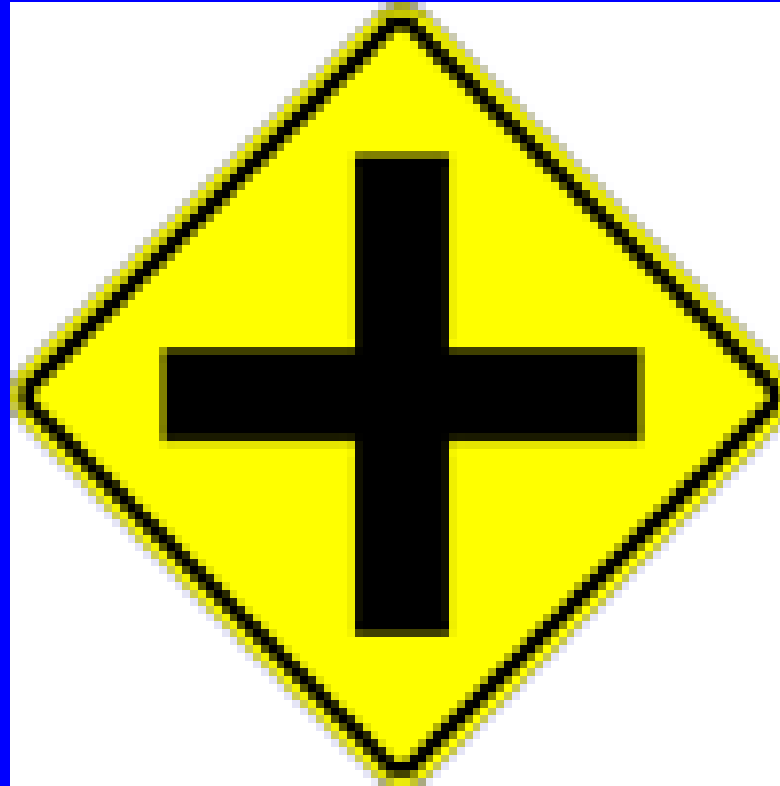

- A – You must come to a complete stop
- B – Warning, stop if necessary

- A – You must come to a complete stop
- B – Warning, stop if necessary
- C - Warning, be prepared to yield

Here Comes

Sign # 7...

A – 4-way stop

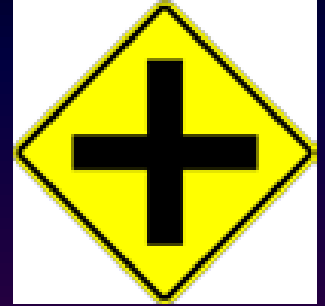

B – Warning, 4-way intersection ahead

C – Warning, crosswalk ahead

A – 4-way stop

B – Warning , 4-way intersection ahead

C – Warning, crosswalk ahead

Here Comes

Sign # 8. . .

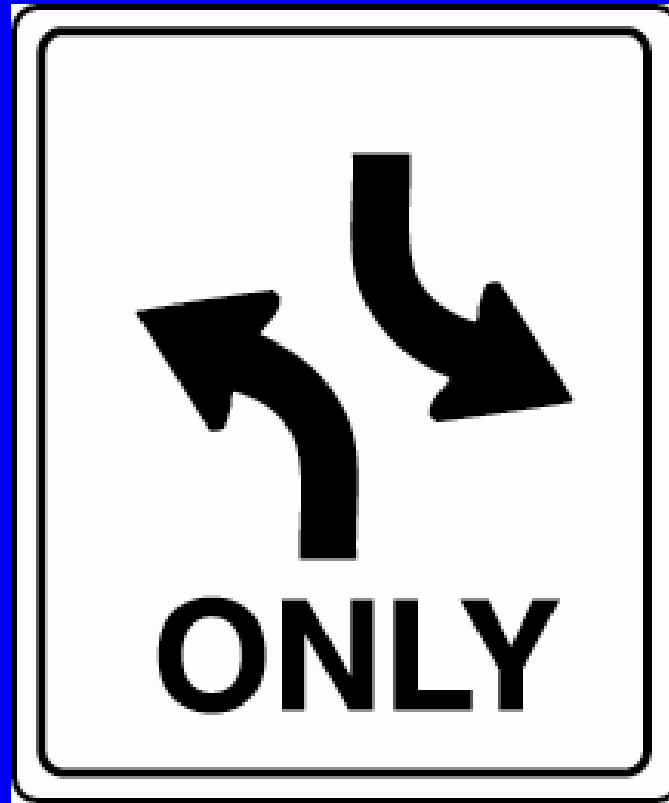

- A – No trucks allowed
- B – Warning, trucks ahead
- C – Warning, steep grade is ahead.
Check your brakes.

A – No trucks allowed
B – Warning, trucks ahead
C – Warning, steep grade is ahead.
Check your brakes.

Here Comes

Sign # 9. . .

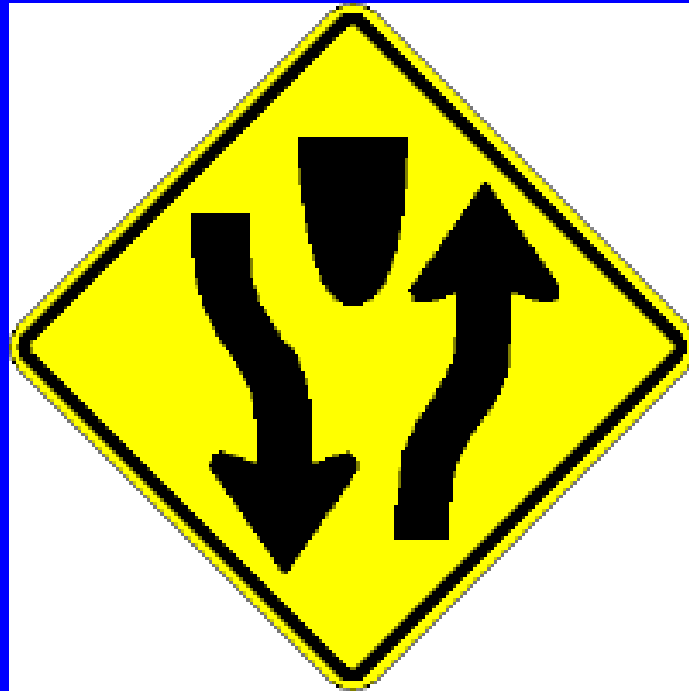

- A – Warning, turning traffic ahead
- B – Vehicles must turn left
- C – Lane reserved for right or left turns

- A – Warning , turning traffic ahead
- B – Vehicles must turn left
- C – Lane reserved for right or left turns

Here Comes

Sign # 10. . .

- A – Warning, divided highway begins
- B – Warning, divided highway ends
- C – Keep Right

A – Warning, divided highway begins
B – Warning, divided highway ends
C – Keep Right

Here Comes

Traffic signal #11. . .

■

A – Warning, stop ahead

B – Stop and remain stopped unless turns
are allowed on red

C – Stop and then proceed if the way is clear

A – Warning, stop ahead

B – Stop and remain stopped unless
turns are allowed on red

C – Stop and then proceed if the way
is clear

Here Comes

Sign #12. . .

- A – Warning, circular intersection – yield to traffic in the circle (roundabout)
- B – Warning, keep right
- C – Left turn only

- A – Warning, circular intersection – yield to traffic in the circle (roundabout)
- B – Warning, keep right
- C – Left turn only

Here Comes Sign #13. . .

#13

A – Warning, all traffic must stop

B – Warning, police officer directing traffic

C – Construction zone, flagman ahead

- A – Warning, all traffic must stop
- B – Warning, police officer directing traffic
- C – Construction zone, flagman ahead

Here Comes Sign #14. . .

#14

A – Do not enter

B – Warning, stop ahead

C – Yield to all traffic at the intersection

A – Do not enter

B – Warning, stop ahead

C – Yield to all traffic at the intersection

Here Comes

Sign #15. . .

#15

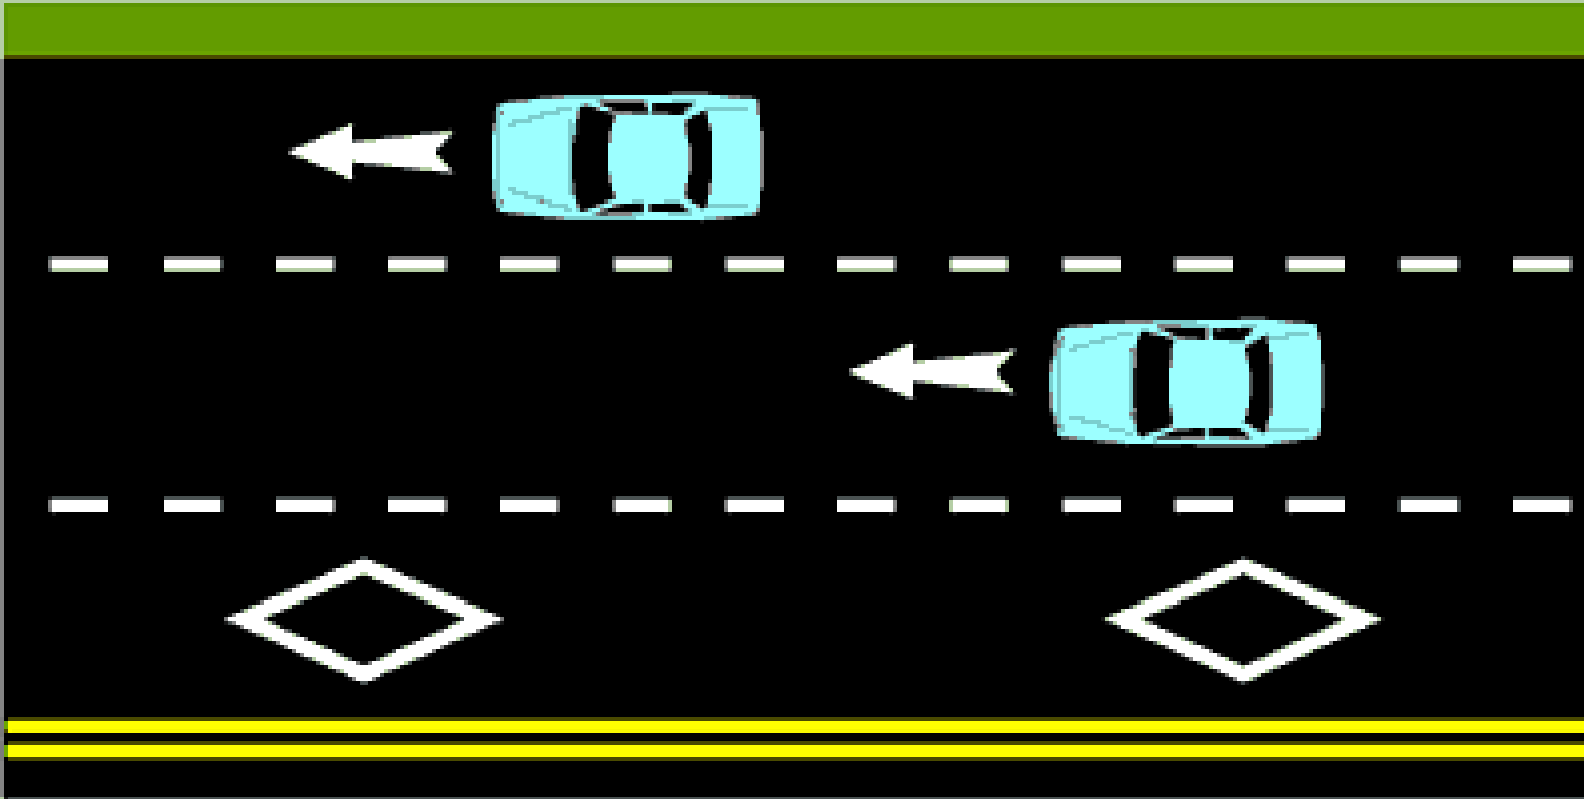

- A – Warning, curvy road ahead
- B – Warning, sharp curve to right
followed by sharp curve left
- C – Warning, right turn ahead

- A – Warning, curvy road ahead
- B – Warning, sharp curve to right followed by sharp curve left
- C – Warning, right turn ahead

What do the DIAMOND-SHAPED ROAD MARKINGS in this next slide signify?

#16

A – Yield ahead

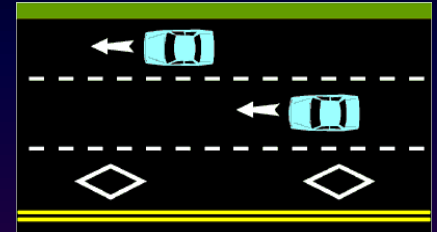

B – Lane reserved for high occupancy vehicles

C – Lane reserved for left turns

A – Yield ahead

B – Lane reserved for high occupancy vehicle

C – Lane reserved for left turns

Here Comes

Sign #17...

17

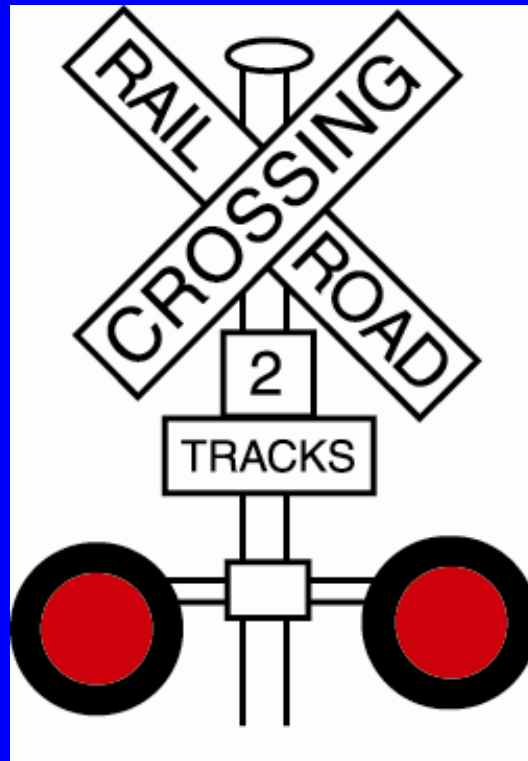

- A – Warning, steep grade ahead
- B – No vehicles above this height allowed
- C – Warning, overpass ahead has low clearance

- A – Warning, steep grade ahead
- B – No vehicles above this height allowed
- C – Warning, overpass ahead has low clearance

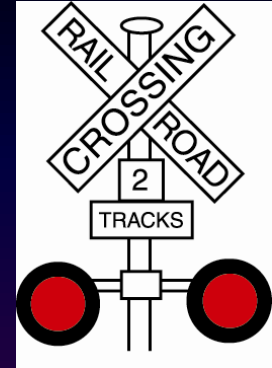

**Here Comes
Sign #18. . .**

#18

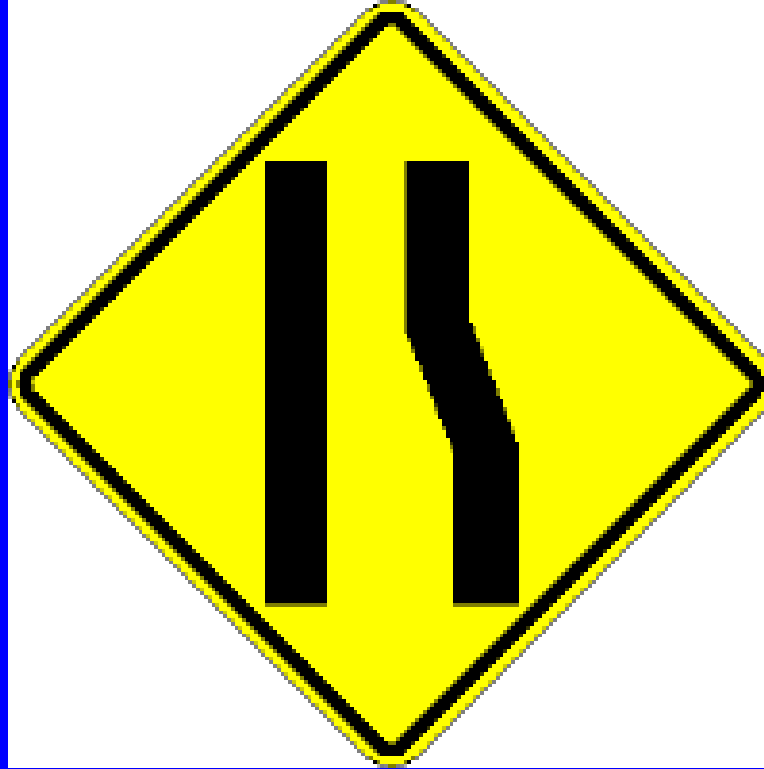

- A – Stop and remain stopped until train passes
- B – Warning, slow down and watch for trains
- C – Stop and check for trains – proceed with caution

- A – Stop and remain stopped until train passes
- B – Warning, slow down and watch for trains
- C – Stop and check for trains – proceed with caution

Here Comes Sign #19. . .

19

A – Warning , right lane ends – merge left

B – Warning, added lane

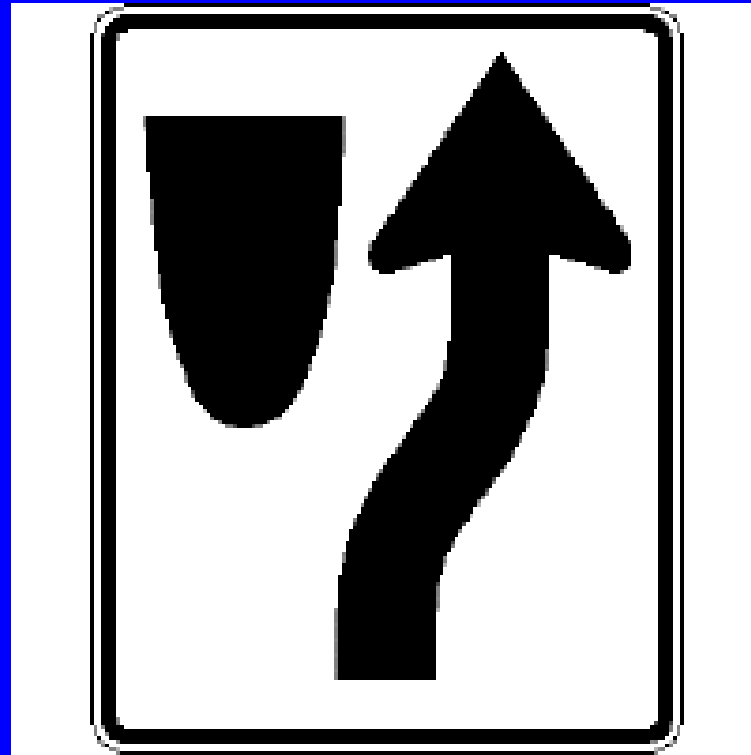

C – Warning, soft shoulders

- A – Warning , right lane ends – merge left
- B – Warning, added lane
- C – Warning, soft shoulders

Here Comes Sign #20. . .

#20

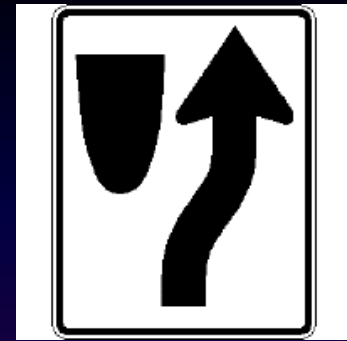

A – Warning, divided highway ahead

B – Keep Right

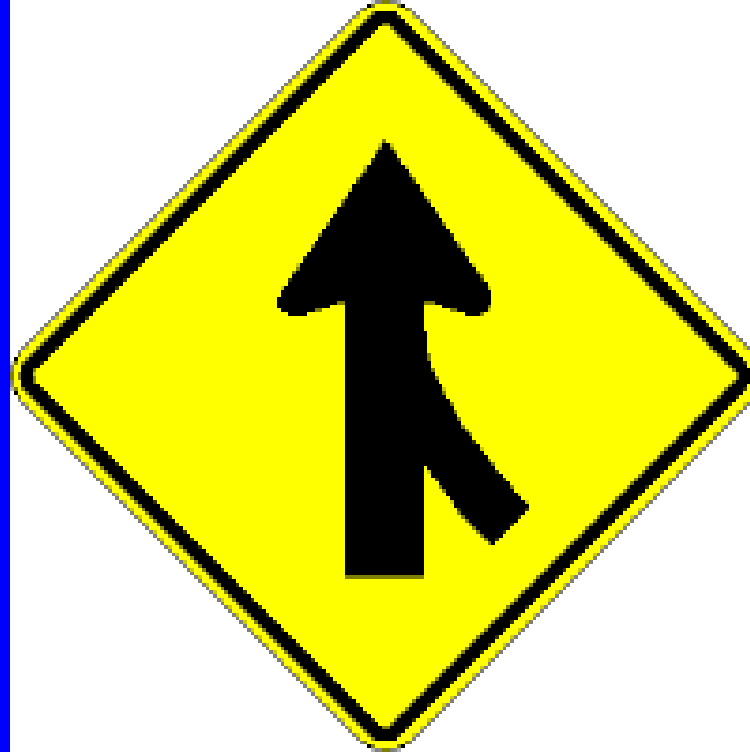

C – Warning, divided highway ends

- A – Warning, divided highway ahead
- B – Keep Right
- C – Warning, divided highway ends

**Here Comes
Sign #21...**

#21

A – Keep Left

B – Warning , added Lane

C – Warning, merge

A – Keep Left

B – Warning , added Lane

C – Warning, merge

Here Comes

Sign #22. . .

#22

- A – Warning, yield to bicyclists
- B – No bicycles allowed
- C – Warning, bicycles must ride
beside traffic

- A – Warning, yield to bicyclists
- B – No bicycles allowed
- C – Warning, bicycles must ride beside traffic

Here Comes Sign #23. . .

#23

- A – Warning, steep grade ahead
- B – Warning, winding road ahead
- C – Warning, slippery when wet

- A – Warning, steep grade ahead
- B – Warning, winding road ahead
- C – Warning, slippery when wet

Here Comes
Sign #24. . .

#24

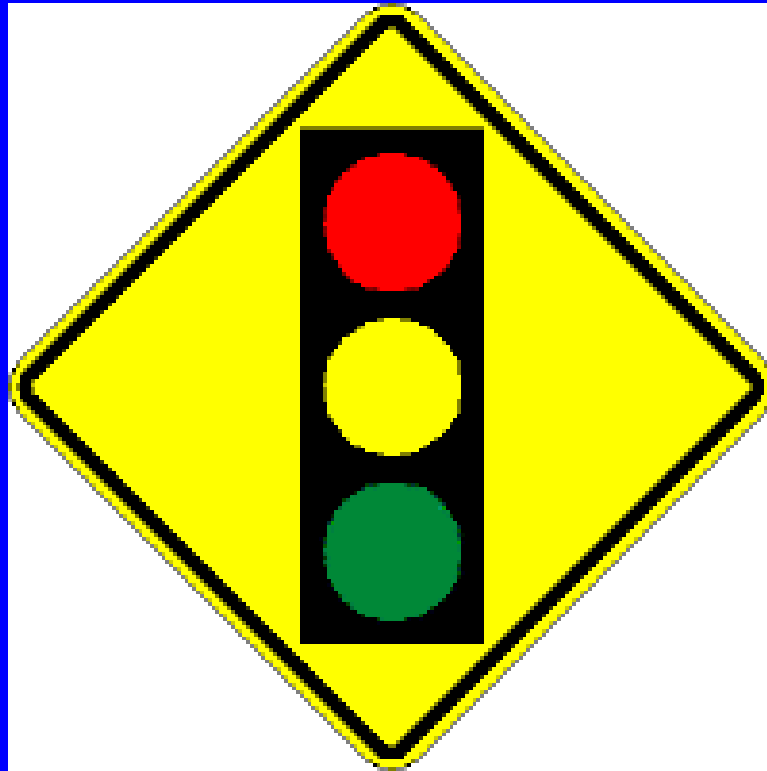

- A – Warning, railroad crossing ahead
- B – Stop and check for trains
- C – Warning, crossroad ahead

- A – Warning, railroad crossing ahead
- B – Stop and check for trains
- C – Warning, crossroad ahead

Here Comes Sign #25. . .

#25

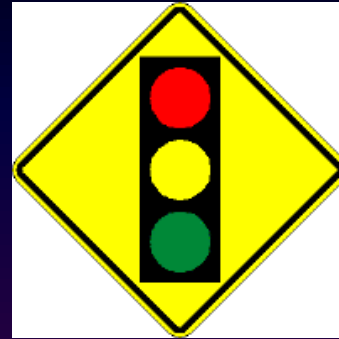

A – Stop

B – Warning, stop ahead

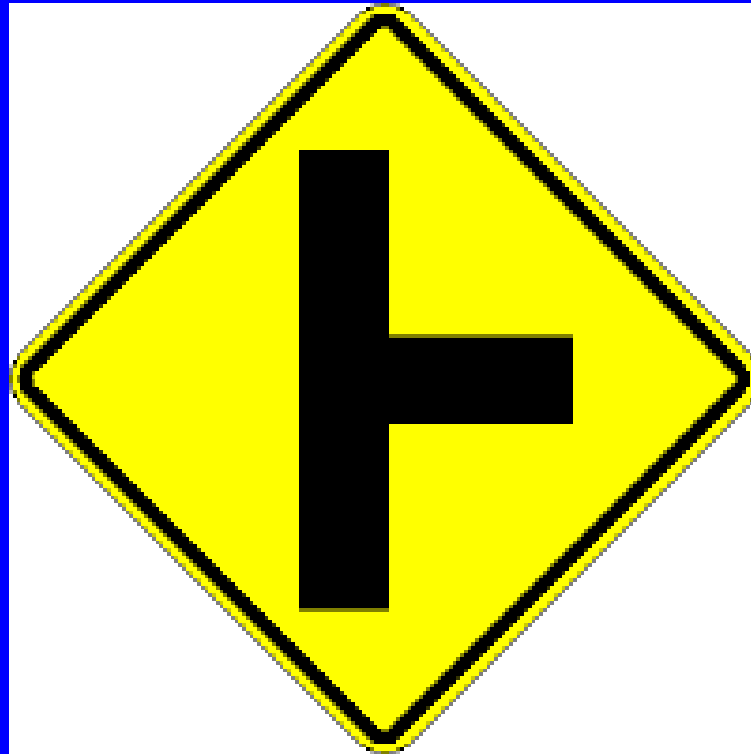

C – Warning, traffic signal ahead

- A – Stop
- B – Warning, stop ahead
- C – Warning, traffic signal ahead

Here Comes

Sign #26. . .

A – Right turn only

B – Warning, a road joins from the right

C – Warning, all traffic must turn right

A – Right turn only

B – Warning, a road joins from the right

C – Warning, all traffic must turn right

Here Comes

Sign #27...

#27

- A – Warning, pedestrian crossing
- B – No pedestrians
- C – No hitchhiking

- A – Warning, pedestrian crossing
- B – No pedestrians
- C – No hitchhiking

Here Comes

Sign #28. . .

- A – Warning, school zone
- B – Warning, pedestrian crossing
- C – 25 mph speed limit

- A – Warning, school zone
- B – Warning, pedestrian crossing
- C – 25 mph speed limit

**Here Comes
Signal #29. . .**

#29

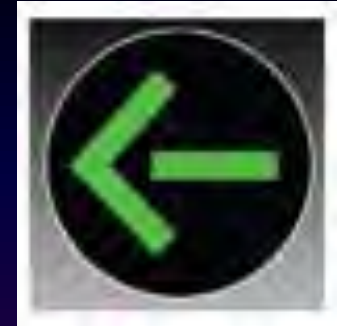

A – Warning, proceed with caution

B – Traffic Light – Left turn only

C – Traffic Light – You may proceed in the direction of the arrow

A – Warning, proceed with caution
B – Traffic Light – Left turn only
C – Traffic Light – You may proceed in the
direction of the arrow

Here Comes Sign #30. . .

#30

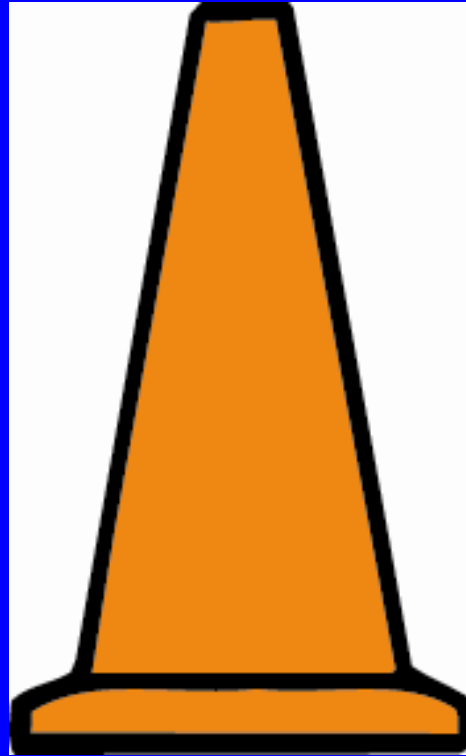

- A – Warning, deer crossing ahead
- B – Prepare to stop for deer
- C – Warning, game reserve ahead

- A – Warning, deer crossing ahead
- B – Prepare to stop for deer
- C – Warning, game reserve ahead

Here Comes Sign #31...

#31

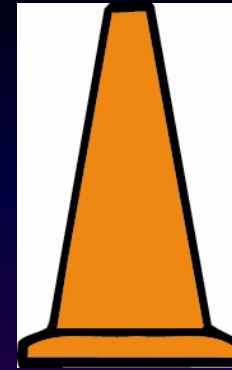

A – Warning, construction ahead

B – Construction – Do not enter

C – Construction – Used to guide flow of traffic thru a work zone

- A – Warning, construction ahead
- B – Construction – Do not enter
- C – Construction – Used to guide flow of traffic thru a work zone

What do the solid lines in the following diagram mean?

32

The pavement markings above mean:

A – No passing

B – Pass with caution

C – One-way traffic

The pavement markings above mean:

A – No passing

B – Pass with caution

C – One-way traffic

Here Comes

Sign #33. . .

#33

- A – No trucks at this crossing
- B – Warning, low ground railroad crossing
- C – Warning, truck crossing

- A – No trucks at this crossing
- B – Warning, low ground railroad crossing
- C – Warning, truck crossing

Here Comes Sign #34. . .

- A – Warning, pedestrian crossing
- B – Warning, sidewalk ahead
- C – No pedestrians allowed

- A – Warning, pedestrian crossing
- B – Warning, sidewalk ahead
- C – No pedestrians allowed

**Here Comes
Sign #35. . .**

A – Detour

B – Watch for work vehicles

C – Slow Moving Vehicle—less than 25 mph

A – Detour

B – Watch for work vehicles

C – Slow Moving Vehicle – less than 25 mph

Here Comes

Sign #36. . .

#36

- A – Warning, circular intersection ahead
- B – No U turn
- C – Do not enter

- A – Warning, circular intersection ahead
- B – No U turn
- C – Do not enter

Here Comes

Sign #37...

37

A – Left turn only

B – Traffic turning left must yield to oncoming traffic on green light

C – Yield to oncoming traffic

- A – Left turn only
- B – Traffic turning left must yield to oncoming traffic on green light
- C – Yield to oncoming traffic

Here Comes Sign #38. . .

#38

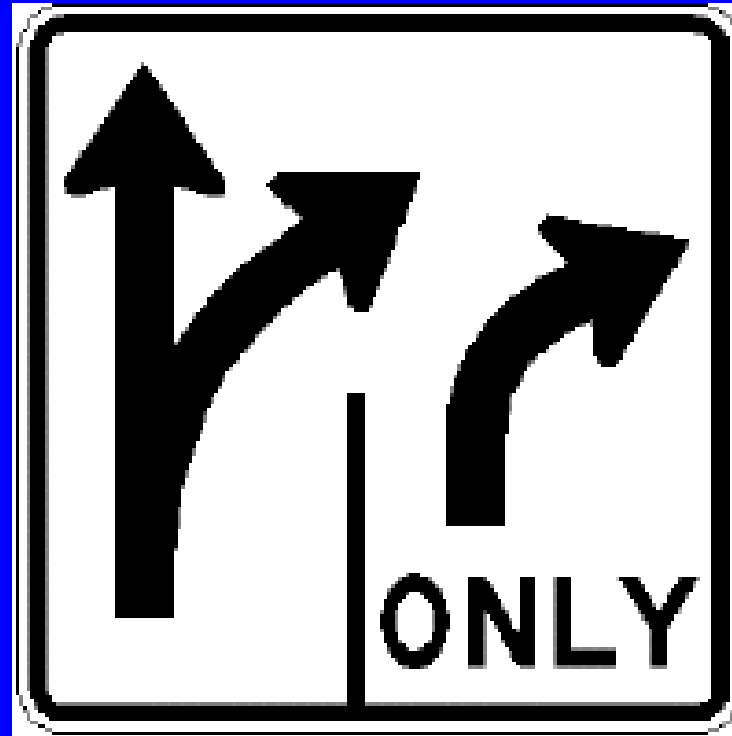

- A – Warning, traffic in left lane must merge
- B – Warning, traffic in left lane must yield
- C – Warning, added lane

- A – Warning, traffic in left lane must merge
- B – Warning, traffic in left lane must yield
- C – Warning, added lane

Here Comes Sign #39. . .

- A – Warning, merge right
- B – Lane added
- C – Right lane must turn right, second lane may turn right or continue straight

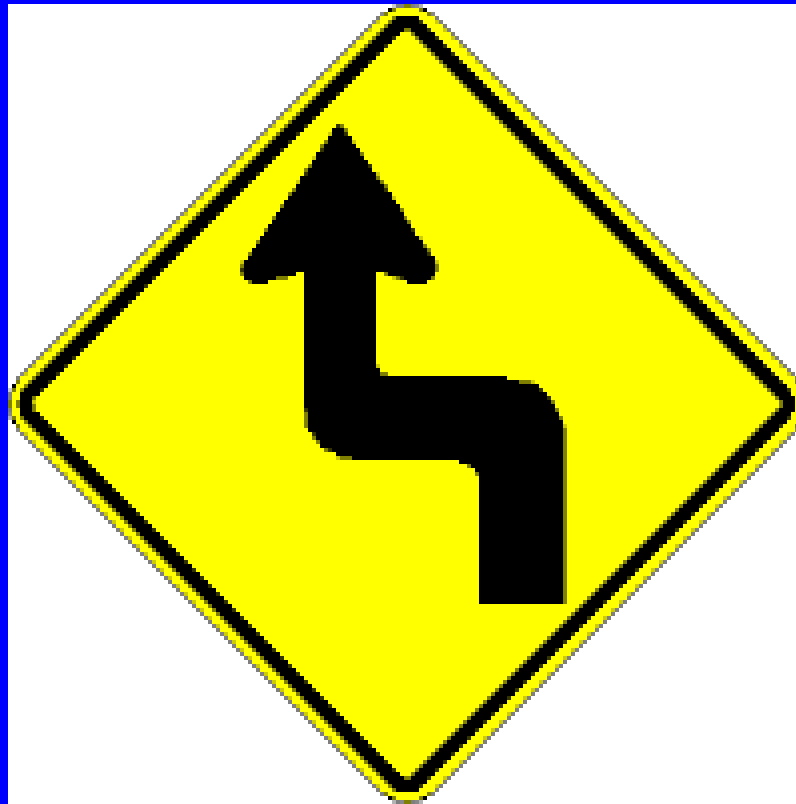

- A – Warning, merge right
- B – Lane added
- C – Right lane must turn right, second lane may turn right or continue straight

Here Comes

Sign #40. . .

#40

- A – Warning, road ahead turns sharply left, then right
- B – Warning, curvy road ahead
- C – Warning, road ahead turns sharply right, then left

- A – Warning, road ahead turns sharply left, then right
- B – Warning, curvy road ahead
- C – Warning, road ahead turns sharply right, then left

Here Comes

Sign #41...

#41

- A – Warning, side road joins from the right
- B – Warning, side road joins from the left
- C – Warning, Y intersection – traffic must bear right or left

- A – Warning, side road joins from the right
- B – Warning, side road joins from the left
- C – Warning, Y intersection – traffic must bear right or left

Here Comes Sign #42. . .

42

A – Warning, truck restriction

B – Warning, sharp curve with less than normal banking

C – 35 MPH speed limit

- A – Warning, truck restriction
- B – Warning, sharp curve with less than normal banking
- C – 35 MPH speed limit

What do the white lines in the next slide indicate?

#43

White lines mean:

A – Two-way traffic

B – One-way traffic

C – Passing allowed

White lines mean:

A – Two-way traffic

B – One-way traffic

C – Passing allowed

Here Comes

Sign #44. . .

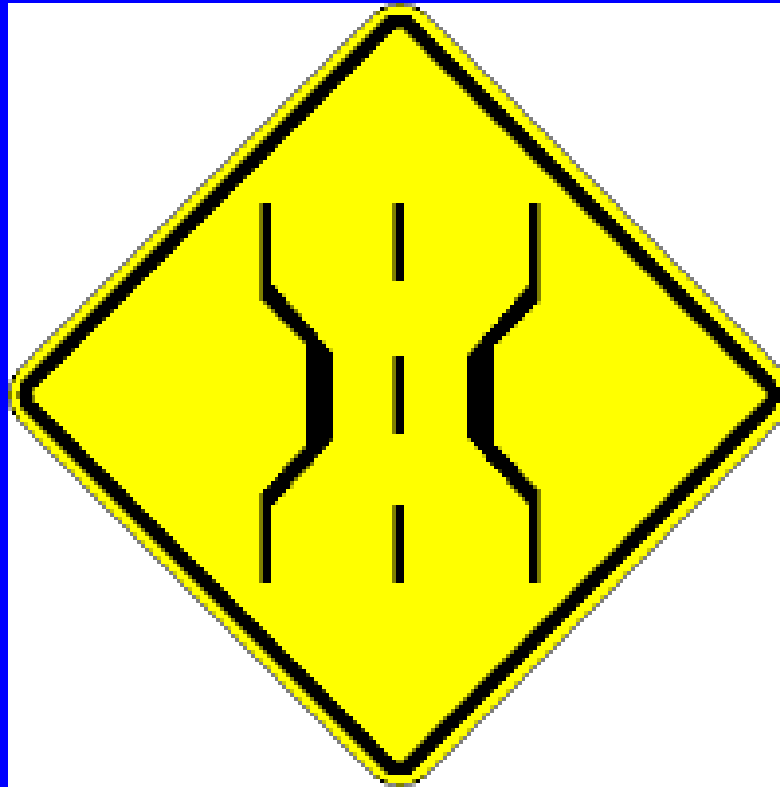

- A – Warning, curve ahead – maximum safe speed 35 mph
- B – Speed limit 35
- C – Warning, sharp curve ahead

- A – Warning, curve ahead – maximum safe speed 35 mph
- B – Speed limit 35
- C – Warning, sharp curve ahead

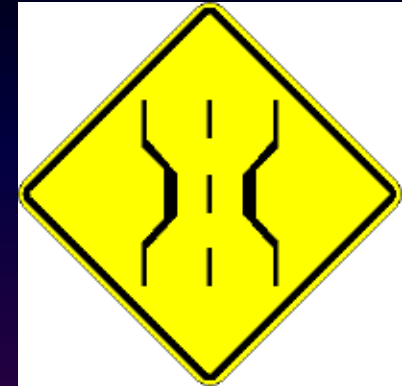

**Here Comes
Sign #45. . .**

#45

- A – Warning, lane reduction
- B – Warning, RR crossing ahead
- C – Warning, narrow roadway with bridge abutment

- A – Warning, lane reduction
- B – Warning, RR crossing ahead
- C – Warning, narrow roadway with bridge abutment

Here Comes

Traffic signal #46. .

#46

A – Do not drive in this lane

B – High occupancy vehicles only

C – Warning, do not enter

- A – Do not drive in this lane
- B – High occupancy vehicles only
- C – Warning, do not enter

Here Comes

Sign #47...

47

- A – Minimum speed limit 55
- B – Warning, speed limit 55
- C – Speed limit 55

- A – Minimum speed limit 55
- B – Warning, speed limit 55
- C – Speed limit 55

**Here Comes
Flashing Signal #48. . .**

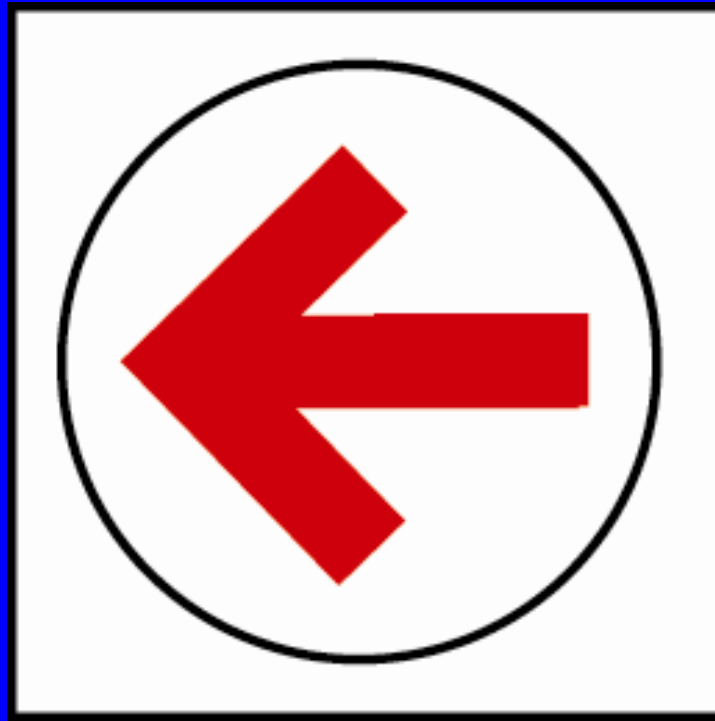

- A – Yield and proceed with caution
- B – Stop and check traffic – same as a stop sign
- C – Do not drive in this lane

- A – Yield and proceed with caution
- B – Stop and check traffic – same as a stop sign
- C – Do not drive in this lane

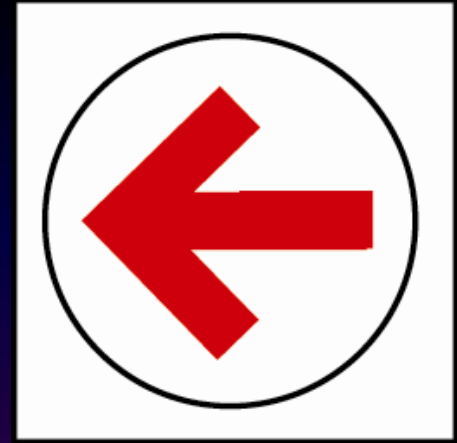

Here Comes Traffic Signal #49. .

- A – Prohibits left turn on red arrow
- B – One way traffic – Wrong way
- C – Warning, all traffic must turn left

- A – Prohibits left turn on red arrow
- B – One way traffic – Wrong way
- C – Warning, all traffic must turn left

Here Comes Sign # 50

What does this sign color mean ...

- A – Warns of impending hazards
- B – Denotes points of interest
- C – Guide Sign – Gives directions

**That's All of
the Signs,
Signals and
Markings!**

ANSWERS....

ANSWERS....

1. (A) Regulation - No Right Turn at the Intersection

2. (B) Warning – winding road ahead

3. (C) Warning - Stop Sign at Intersection

4. (B) Warning - Two-Way Traffic

5. (C) Warning - Playground Ahead

6. (A) Regulation – Come to a complete stop

ANSWERS...

7. (B) Warning – 4-Way Intersection Ahead

8. (C) Warning - Steep Downgrade... Check Brakes

9. (B) Regulation – Vehicles in this lane must turn left

10. (A) Warning - Divided Highway Begins

11. (B) Traffic Light - Stop and remain stopped

12. (A) Warning – Circular intersection – yield to traffic in circle

ANSWERS...

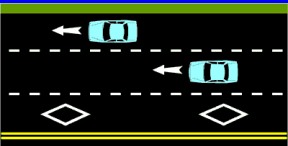

13 (C) Warning – Construction – Flagman ahead

14. (B) Regulation – Yield to other traffic in intersection

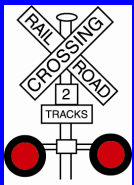

15. (C) Warning – Sharp curve to the right, then to the left

16. (B) Pavement Marking – High occupancy vehicles only

17. (C) Warning – Overpass ahead has low clearance

18. (B) Regulation – Stop and remain stopped if the lights are flashing.

ANSWERS...

19. (A) Warning - Right Lane Ending Ahead

20. (B) Regulation - Keep Right

21. (C) Warning - Merging Traffic from the Right

22. (B) Regulation - No Bicyclists on this Roadway

23. (C) Warning – Slippery when wet

24. (A) Warning – Railroad Crossing Ahead

ANSWERS...

25. (C) Warning -Traffic Signal at Next Intersection

42. (B) Warning – Sharp curve with less than normal banking

ANSWERS...

43. (B) Pavement Marking – one way traffic

44. (A) Warning – Curve ahead – Maximum safe speed 35

45. (C) Warning - Narrow Roadway with Bridge Abutments

46. (A) Traffic Signal – Do NOT drive in this lane

47. (C) Regulation – Maximum speed limit

ANSWERS...

48. (B) Traffic Light – Flashing Red – Stop and check traffic

49. (A) Traffic Light – Prohibits left turn

50. (C) Guide – Gives direction

Using Sign Information Effectively

- Sign information is redundant
 - Shape is critical
 - Color indicates warning level
 - Text and symbols provide information
- Search for signs by shape
- Identify **s i g n c o l o r s**
- Understand meaning of symbols
